Honorable Dave Kinskey  
Mayor  
City of Sheridan  
P.O. Box 848  
Sheridan, Wyoming 82801-0848

Dear Mayor Kinskey:

Congratulations! I was very pleased to hear that Sheridan has been recognized as a Tree City by The National Arbor Day Foundation. This is a great honor and a distinction of which you can be very proud.

This award recognizes the commitment you and your administration have made to the environment and to the planting of new trees. Thanks to you and the leadership you and other mayors have shown, this vital resource is being renewed and enjoyed in our state and in states across the country.

As a former Mayor, I know the importance of the program you are helping to promote and the great results you are achieving. The trees that we plant help to make our cities and towns better places to live today. They will also be there tomorrow to provide beauty and shade for future generations to enjoy.

Diana joins in sending our best wishes to you for all you are doing to make your part of our state a better place to live. You are leading the best way - by example - and encouraging others to work with you to make a difference in your community that will last for many years to come.

Sincerely,

A handwritten signature in black ink that reads "Mike Enzi".
